## PAYNE'S FUNERAL.

Full Honors Due a Cabinet Officer  
Will Be Paid to the Late  
Postmaster General.

### OFFICIAL SERVICES WERE HELD.

President and Mrs. Roosevelt Occu-  
pied Seats Immediately in Front,  
Adjoining Those of Family.

The Officers of the Army, the Navy  
and Marine Corps on Duty in  
Washington Attended in  
Full Uniform.

Washington, Oct. 7.—The full hon-  
ors due a cabinet officer will be paid  
to the late Postmaster General Payne.  
The official funeral was held at 11  
o'clock Friday morning at St. John's  
Episcopal church in this city.

A committee of arrangements, con-  
sisting of First Assistant Postmaster  
General Robert J. Wynne, W. H. Mi-  
chael, chief clerk of the state depart-  
ment, and Maj. Charles McCawley,  
United States marine corps, met at  
the state department Thursday and  
perfected all the details of the funeral  
and burial. The limited seating ca-  
pacity of the church caused some dif-  
ficulty. The seating plan adopted  
practically follows that adopted for the  
funeral a year ago of the late Sir Mi-  
chael Herbert, the British ambas-  
sador, provision being made, however,  
for the seating of the representation of  
50 officials from the post office depart-  
ment. The President and Mrs. Roose-  
velt occupied seats immediately in  
front, adjoining those of the family.  
The invitation list included the entire  
diplomatic corps, officials of the exe-  
cutive, legislative and judicial branches  
and District of Columbia. Officers of  
the army, navy and marine corps on  
duty in this city had been ordered to  
attend in full uniform.

The bureau of navigation Thursday  
telegraphed orders directing that all  
flags at naval stations and on ships  
within the United States be half-mast-  
ed until after the funeral. All offices  
of the district government were closed  
between 11 a. m. and 1 p. m. Friday.

The train which will carry the re-  
mains of Mr. Payne to Milwaukee will  
travel as the second section of the  
regular train leaving here at 3:30  
o'clock Friday afternoon. It is com-  
posed of three cars, the special car  
"Minnesota," tendered by the Chicago,  
Milwaukee & St. Paul railroad, in  
which the body will rest and which  
will be occupied by the members of  
the family, the special car "Pennsyl-  
vania," tendered by the Pennsylvania  
road for the use of Secretaries Wilson  
and Hitchcock, who will be the cabi-  
net representatives going from here,  
Assistant Postmaster General Shallen-  
berger and others and a combination  
baggage and sleeping car.

Acting Postmaster General Wynne  
Thursday received a message of con-  
dolence from the imperial German pos-  
tal administration.

### TERM "CIVIL WAR."

The Name Objected to By the Daugh-  
ters of the Confederacy.

St. Louis, Oct. 7.—Considerable dis-  
cussion was caused at Thursday's ses-  
sion of the convention of the Daugh-  
ters of the Confederacy regarding the  
use of the term "civil war." The  
words were used in connection with a  
resolution introduced by Mrs. Living-  
ston B. Schuyler, of New York, provid-  
ing for a scholarship in Columbia uni-  
versity and the appropriation of a cash  
prize for the best essay on the war.  
Mrs. N. V. Randolph, of Richmond, led  
the discussion in opposition to the use  
of the term "civil war," and suggested  
that a more felicitous name would be  
"War of the states." Resolution was  
adopted.

### MADAME BARTHOLDI.

Sculptor's Widow Receives a Cable-  
gram From President Roosevelt.

Paris, Oct. 7.—Madame Bartholdi,  
widow of the sculptor, has received  
the following cablegram from Presi-  
dent Roosevelt: "Permit me to offer,  
in the name of the American people  
my deep sympathy on the occasion of  
the death of the great sculptor, your  
husband."

Madame Bartholdi replied to Presi-  
dent Roosevelt as follows: "I am as  
much touched as honored by the tes-  
timony of your sympathy. No more  
flattering consecration could be given  
the memory of my husband. Please  
receive for yourself and the American  
people the homage of my deepest grati-  
tude."

Louisville, Ky., Oct. 7.—There was  
no change in the tobacco market on  
Thursday. The offerings were 285  
hds., of which 37 were burley and  
248 dark. Burley sold from \$7.50 to  
\$14 and dark ranged from \$3 to \$7.90.

### NABBED AT LOUISVILLE.

A Quartet Caught in the Act of Pass-  
ing Forged Checks.

Louisville, Ky., Oct. 7.—Caught in  
the act of attempting to flood Louis-  
ville with worthless checks, four men  
were arrested Thursday night who are  
believed to have come from St. Louis  
with the express purpose of "beating"  
Louisville firms.

The names given were J. B. Win-  
dell, of Denver, Col.; Earl L. Wheeler,  
of Kansas City, Mo.; J. W. Thomas, of  
Kansas City, and J. L. Thomas. The  
man giving his name as J. L. Thomas  
is thought to be C. W. Nolan, former-  
ly a business man of East St. Louis,  
who is said to be wanted for forgery.  
Windell is thought to be wanted in  
Kansas City on the same charge. They  
had secured cash on a check for  
\$22.20, drawn on J. W. Morris & Co.,  
of St. Louis, made payable to J. L.  
Thomas.

### FOR A BURGLAR.

She Mistook Husband, Who Returned  
After Twenty Years in Prison.

Whitesburg, Ky., Oct. 7.—Bent with  
age and the pangs of prison life, after  
a confinement of 20 years in the  
Kentucky penitentiary, Eli Collins, 60,  
stalked into his home at Tillie Wed-  
nesday midnight, and for a time his  
wife mistook him for a burglar. She  
had not expected him home so soon,  
though Acting Gov. Thorne pardoned  
him several days ago. Two of his  
sons, small boys when he left, had  
married, while his only daughter re-  
mained at home.

Collins was given a life sentence 20  
years ago for the murder of John Gib-  
son, his cousin, which some believe  
until this day was purely accidental.  
His wife worked for two decades to  
secure his release.

### A SHOOTING AFFRAY.

Old Grudge Between Kentuckians  
Caused It.

Somerset, Ky., Oct. 7.—Johnson Her-  
ton shot and fatally wounded James  
Farris as the result of an old grudge  
near Greenwood, in this county, where  
the parties happened to meet. Hel-  
ton opened fire on Farris with a re-  
volver. The first shot took effect in  
the abdomen, and when the victim  
turned to run Helton fired several  
more shots into his body. Farris was  
brought here to the hospital, but the  
doctors say he can not live.

Farris almost killed L. D. Meadows  
a short time ago over the same  
grudge.

### Offer For Sweet Marie.

Lexington, Ky., Oct. 7.—The victory  
of Sweet Marie in Thursday's Transyl-  
vania caused an offer of \$50,000 to be  
made for her sire, McKinney, and  
which was made Thursday night  
by William Simpson, of New York.  
The offer was not accepted. It was  
made to a representative of Mr. Gar-  
land, who owns the sire, and he has  
been communicated with in regard  
to it.

### To Contest the Will.

Louisville, Ky., Oct. 7.—Contest of  
the will of Geo. O. Cross was insti-  
tuted by a number of nephews and  
nieces. Although helpless from rheu-  
matism for 20 years, Cross accumulated  
a fortune of \$40,000 in the umbrella  
business, which he left to his sister  
and his partner. The contestants re-  
ceived only \$100 each.

### Resigns From Police Board.

Lexington, Ky., Oct. 7.—Local polit-  
ical circles were startled Thursday  
night when it was made known that  
C. J. Bronston had tendered his resig-  
nation to Mayor Combs, as a member  
of the police and fire commission, and  
that it had been accepted.

ing unable to agree. The jury stood

viction from the first ballot.

W. Va., fell from a parachute here  
Thursday afternoon, breaking both  
ankles and an arm, and sustaining in-  
ternal injuries.

## GEN. MILES ON WAR

He Delivers an Address on the  
Subject of a Reduction  
of Armament.

### WARS RETARD HUMAN PROGRESS.

Majority of the Conflicts in World's  
History Have Been Occasioned  
by Selfish Ambition.

Millions of Men Employed in the Mil-  
itary Service Throughout the Globe  
Would Become Producers In-  
stead of Consumers.

Boston, Oct. 7.—A public mass-meet-  
ing was held in Park Street church  
Thursday night to discuss the hope for  
reduction of armament as well as the  
menace to universal progress of great  
armies and navies. Gen. Nelson A.  
Miles, U. S. A., retired, was the prin-  
cipal speaker. Gen. Miles said, in part:

"The settlement of international con-  
troversies by the dread arbitration of  
war involves the destruction of tens of  
thousands, and some times hundreds  
of thousands of the young men of both  
countries. Could any rule, code or  
method be more void of reason and  
justice?"

"The great majority of wars in the  
world's history have been occasioned  
by the selfish ambition of some usurp-  
er or cruel tyrant, the intrigue of un-  
scrupulous men or the avarice and  
greed of a people. The deadly war  
now being waged between two power-  
ful nations in the Orient, can not bene-

GEN. NELSON A. MILES.

fit either country, but must impoverish  
both for the next hundred years.

"It will not benefit mankind, but  
must retard human progress.

"I have no sympathy for that senti-  
ment of peace that would compromise  
and arbitrate with powerful nations,  
and the same time overrun, intimidate,  
subjugate or oppress the people of de-  
fenseless countries.

"It must be apparent to all thought-  
ful, patriotic men that the intelligent  
world will not long endure the murder  
of great standing armies, and enor-  
mously expensive navies. The ques-  
tion as to what millions of men would  
do unemployed in military service is  
answered by the fact that they would  
become producers instead of consum-  
ers. In the promotion of peaceful arts  
and industries, our people have won a  
place in the world's confidence and re-  
spect, in which we all hold just pride.  
In the splendid activities there is no  
sound of warring cannon and dying  
men.

"In the most picturesque valley of  
the world, on the right bank of the  
beautiful Hudson, there is a great uni-  
versity that will cost, when completed,  
\$50,000,000, dedicated to the 'gods of  
war.' On the banks of that majestic  
river there will also be established a  
citadel, dedicated to the 'spirits of  
peace'."

### THE CRUISER WASHINGTON.

Fire of Unknown Origin Occurred in  
the Hold of the Vessel.

Camden, N. J., Oct. 7.—Fire of un-  
known origin occurred Thursday night  
in the hold of the cruiser Washington,  
being built for the government at the  
yards of the New York Shipbuilding  
Co. So far as is known no one was  
on the cruiser within five hours of the  
time when flames were discovered.  
The fire originated in a heap of saw-  
dust and was extinguished before the  
vessel was seriously damaged.

### THE ASIATIC STATION.

Rr. Adm. Sterling Recommends That  
Additions Be Made To It.

Washington, Oct. 7.—Rr. Adm. Yates  
Sterling, commander-in-chief of the  
Asiatic fleet, has made a report to the  
navy department recommending im-  
portant additions to the Asiatic sta-  
tion. The report has been under dis-

cussion in the general board and has  
now been referred to the various bu-  
reaus for comment.

### AT MUKDEN.

An Unusual Activity Is Reported at  
That Place.

New York, Oct. 7.—The significance  
of a Mukden dispatch noting an un-  
usual activity in that place is the sub-  
ject of much speculation at St. Peters-  
burg. The theory that it indicates the  
purpose of Gen. Kuropatkin to evacu-  
ate Mukden is not generally accepted,  
military officers surmising that the  
commotion noted is in connection with  
a movement to check a Japanese flank-  
ing operation. In Russian official cir-  
cles some credence is given to the ru-  
mor that Adm. Wiren has left Port Ar-  
thur with his ships, the confusion re-  
sulting because a severe storm on  
Tuesday is regarded as having made  
such action possible.

"Time expired" members of the  
Guards regiments in St. Petersburg  
and vicinity have been ordered to re-  
main with the colors. There are in-  
dications that the Russian warships in  
the Baltic will soon be dispatched to  
the far east.

### GERMAN DAY.

One of the Largest Demonstrations  
That Has Characterized the Fair.

St. Louis, Oct. 7.—One of the largest  
demonstrations that has characterized  
the World's fair and one that concen-  
trated possibly the largest crowd on  
the wide and spacious plaza of St.  
Louis, attracting thousands from the  
various portions of the extensive ex-  
position grounds, was the celebration  
Thursday of German day. Not only  
was almost the entire German popu-  
lation of St. Louis in attendance, but  
German citizens from all parts of the  
United States augmented the vast as-  
semblage. The principal visitor of the  
occasion was Baron Speck Von Stern-  
berg, German ambassador to America,  
who bore a greeting which had been  
received by cable from Emperor Wil-  
liam conveying his imperial congratu-  
lations to the citizens of America in  
the national celebration of a German  
day.

### ARCHBISHOP OF CANTERBURY.

He Delivers a Message to the Ameri-  
can Episcopalians.

Boston, Oct. 7.—The Archbishop of  
Canterbury, speaking before a joint  
session of the house of bishops and  
house of deputies of the Episcopal  
church at Emmanuel church Thursday,  
delivered a message to the American  
body in which he urged that the  
church take steps to guard the relig-  
ious life of the home.

An attempt was made to present a  
resolution deploring the action of Bish-  
op Potter, of New York, in participat-  
ing at the opening of the Subway Tay-  
vern in New York, but the resolution  
was declared out of order.

Gen. J. H. Stotzenberg, of New Al-  
bany, Ind., introduced a resolution con-  
demning lynching. A number of the  
southern delegates voted to table the  
resolution, but eventually it was re-  
ferred to a special committee.

### AGAIN IN ERUPTION.

Mont Pelee Emitting Black Clouds of  
Smoke and Balls of Fire.

Kingston, St. Vincent, Oct. 7.—The  
captain of the British steamer Sibun  
reports that when the steamer passed  
the Island of Martinique on September  
30 Mont Pelee was in full eruption.  
The spectacle was seen by those on  
board the Sibun at 2 o'clock in the  
morning of the day mentioned, the  
volcano emitting black clouds and  
balls of fire. This accounts for the  
dust clouds reported to have been  
seen Wednesday throughout the Wind-  
ward islands.

Early in May, 1902, Mont Pelee  
broke into violent eruption, wiping out  
the city of St. Pierre and reaching other  
towns nearby. The loss of life on  
that occasion was estimated at 40,000.

### BROKE THE RECORD.

Went From Chicago to New York in  
51 Hours 5 Minutes in An Auto.

New York, Oct. 7.—Tired but happy  
in the knowledge that they had broken  
the record between Chicago and New  
York by nearly 14 hours, Bert Hol-  
comb and Harry Sandell whizzed up  
to their stopping place in Thirty-ninth  
street near Broadway Thursday after-  
noon in a 35-horse power automobile.  
The record breakers left Chicago at  
2 o'clock on Tuesday afternoon. The  
run was made in 58 hours and 45 min-  
utes elapsed time and 51 hours and 5  
minutes corrected time, exactly 13  
hours and 38 minutes clipped from the  
best previous record.

The best time made was 50 miles  
an hour and the average for the run  
was 24 miles an hour.

Somerset, Ky., Oct. 7.—S. J. Aber-  
son's general store burned here early  
Wednesday morning.

## AN AUTO ACCIDENT

The Machine Went Over a 25  
Foot Embankment and Fell  
on Railroad Track.

### WRECKAGE STRUCK BY A TRAIN.

Of the Nine Persons on the Auto-  
mobile Three Were Killed and  
Balance Badly Injured.

The Body of the Chauffeur Was Found  
Underneath the Pilot of the Loco-  
motive Horribly Mangled—  
Engineer Arrested.

New York, Oct. 7.—While speeding  
along in the Bronx early Friday morn-  
ing an automobile containing nine  
persons of New York, went off a 25-  
foot embankment at 161st street and  
Jerome avenue and a woman, a man  
and the chauffeur were killed. The  
machine fell onto the New York Cen-  
tral railroad tracks and the wreckage  
was struck by a south-bound passen-  
ger train. In the automobile when  
the accident occurred were five wom-  
en and four men. The automobile was  
in charge of Albert Noyes. Besides  
the killed all the others were badly  
injured.

Where Jerome avenue ends the  
roadway takes a sharp turn and the  
automobile did not slacken for this  
curve and struck the fence with ter-  
rific crash. Engineer Livingston, of  
the passing train, threw on the brakes  
as soon as possible, but not before  
the wreckage of the car had been car-  
ried some distance. The engineer was  
placed under arrest.

Albert Noyes, the chauffeur of the  
wrecked automobile, was missing for  
a while, but later his body was found  
underneath the pilot of the locomot-  
ive, horribly mangled. It is thought  
that the injuries of some of the vic-  
tims will prove fatal.

### CUSSED OVER THE 'PHONE.

A Newspaper Man Arrested By the  
Pittsburg Police.

Pittsburg, Oct. 7.—James Anderson,  
a writer on the East End Herald, was  
arrested Thursday evening for using  
profane language while talking over a  
telephone. He explained to Superin-  
tendent of Police Wallace that he had  
learned that his wife was sick at Ro-  
chester, Pa. He called up the Roches-  
ter office. Some one on the telephone  
line began to kid him. He became an-  
gry and began cursing at the unknown  
person at the other end of the wire.  
A woman in the drug store where he  
was talking overheard him and had  
him arrested. He was released on his  
own recognizance to appear Friday  
morning.

### "OSSIFIED" WOMAN.

Mrs. Erma Ewing Palmer Died at  
Sherburne, N. Y.

Rome, N. Y., Oct. 7.—Mrs. Erma  
Ewing Palmer, the last of the two  
"ossified" sisters, died Thursday at  
Sherburne, at 50. Owing to a disease  
of a rheumatic nature which has baff-  
led the skill of many prominent phy-  
sicians throughout the country, Mrs.  
Palmer had lain motionless upon her  
back, totally blind and with every mus-  
cle rigid for the last 27 years. The  
disease manifested itself within a few  
days after her marriage at the age  
of 23.

the Geological Survey Fatally Hurt.

St. Louis, Oct. 7.—Bert Fankberer,  
of Marion, Ind., chief engineer of the  
coal testing plant of the United States  
geological survey at the World's fair,  
was probably fatally hurt by one of the  
trains of the miniature railway that  
runs through the mining gulch. Fank-  
berer fell from one of the cars and was  
dragged more than 100 feet. His right  
leg was severed near the thigh, his

## EVENING BULLETIN.

DAILY, EXCEPT SUNDAY.

ROSSER & MCCARTHY,  
Proprietors.

FRIDAY, OCTOBER 7, 1904

### Weather Forecast.

Fair, warmer to-night and Saturday.

JUDGE BENNETT has been a candidate for office many times, and has been defeated so often that he has gotten accustomed to it. It seems, the Republicans, when they are hard up for a candidate, pounce upon the Greenup man, who they always find a willing victim.

There is no one thing that the thoughtful voter should investigate so closely as the government expenditures and receipts. The Roosevelt administration and the Republican Congress seem perfectly reckless about how the taxpayers' money is expended. While under the last year of the last Democratic administration the Army and Navy cost \$32,000,000, the present expenditures for those purposes are costing \$217,000,000.

ROOSEVELT wants to open the door of hope to every filthy nigger in the land, but he does not hesitate to close it in the frightened face of every good woman in the South who is in constant peril from these lecherous brutes, made more so by the social recognition given them by the President. These ignorant, debased creatures feel that the hand that can lift Booker Washington to an equality with the Chief Executive can reach out and protect them from the fury of the mob.

REPORTS from all over the State indicate that the registration was entirely satisfactory, showing considerable of a Democratic gain over last year. Chairman Hager expresses himself as well pleased and is more hopeful than ever of a large majority. The Republicans, though, have shown that they have every intention of making a hard fight to carry the State. Democratic leaders, however, have gone to work with a will and the rank and file are deeply interested and have no fear of the result.

It is pretty generally known that Mr. Richard P. Ernst of Covington was here yesterday to effect an organization of the Republicans in every county in the district. He met the County Chairmen by appointment at the Central Hotel where he impressed upon them the fact that the National Committee would see to it that plenty of boodle would be forthcoming to win the fight for Bennett if possible. There is no doubt but what the Republicans are going to make every effort to redeem the district, and it behooves the Democrats to be on their guard. Let Mr. Kehoe's friends rally to his support this time as they never did before!

JUDGE BENNETT, in accepting the Republican nomination for Congress, after referring to his numerous defeats for county offices in Greenup in proof of his sacrificial past, sought to illustrate his devotion to his party by the following partial quotation from Ruth, Chapter 1:

"Whither thou goest, I will go; and where thou lodgest, I will lodge; thy people shall be my people, and thy God my God."

The hand of fate certainly guided Judge Bennett in selecting the quotation, for it further says:

"Where thou diest will I die, and there will I be buried."

The latter portion of the quotation was more firmly fixed in the minds of the delegates that the part quoted.

THE most amusing feature of the campaign is the emetic of virtue which has turned the Republican stomach side of its load of Hunterism inside out. When it is understood that those most responsible for Godfrey's overthrow are renegade Democrats who have crowded to the front and driven the old line Republicans from the patronage trough it becomes a hilarious farce. Hunter organized this State for victory for his part when his present assailants were not heard of. McKinley knew his real character when he sent him to Guatemala. The Republicans of the Eleventh district were acquainted with his record when they sent him to Congress. The pure and saintly Belknap knew him from the crown of his rascally head to the soles of his crooked feet and yet he entrusted him with the secret management of his campaign. But over night a spasm of virtue seizes the gang of Federal office-holders and Hunter is thrown to the wolves. It will be hard work to convince the decent people of Kentucky that he is any worse than his party.

Dover's first registration shows a total of 121, divided as follows: Democrats, 56; Republicans, 40; Prohibition 5; Socialists, 6; no party affiliation, 14.

When an Uganda native buys an American phonograph and sets it up in his hut he becomes a society leader.

Little Herman Ross, aged six years, died Tuesday near Lewisburg, of diphtheria.

Fred Cooper was taxed \$25.50 in the Police Court Wednesday for striking a woman.

Born, Tuesday to Mr. and Mrs. Arthur Price at Lonaconing, Md., a daughter. Mrs. Price was formerly Miss Clara Davis of this city.

Through Judge Hutchins, attorney, Elzy F. Boyd of Minerva has had his pension increased to \$12 per month, from July 12, 1904.

Mr. Thomas F. Walton and Miss Florence Foxworthy of Fleming were married Thursday afternoon by Rev. Dr. John Barbour at his residence.

Our reporter made us say "Mr. and Mrs." Frank Rice yesterday when in fact it should only have been "Mr." the gentleman in question not being married.

The will of Mrs. Ann Cook, bearing date of September 8, 1904, was filed Thursday. The testator bequeaths all her rights and interest in the estate left by her husband to Mrs. Julia Diebold of Cincinnati, her daughter.

Miss Mary Burgess of Fort Worth, Texas, and Mr. Thomas M. Alexander of Lexington, accompanied by Mr. Frank H. Rice, eloped to Paris Wednesday where they were married by the groom's brother, Rev. John Alexander of that place. They came on to Maysville after the ceremony and were guests of the Central that night. The couple will spend their honeymoon at the World's Fair.

Captain David A. Murphy, Superintendent of Construction of United States Public Buildings, has been assigned to duty here in connection with the new Government building and he assumed charge of the work October 1st. The building must be completed and ready for occupancy within one year. Captain Murphy is a relative of Dr. Ellis of this city and has been Superintendent in charge of six public buildings erected in the South and he has won high honors and many tokens of esteem from the citizens at every post of duty.

The gathering together of a company of actors and actresses competent to properly portray a Shakespearean play is a far greater task than most people imagine. This is particularly true of "Twelfth Night" surely the cleverest and most entertaining of all the thirty-seven great plays written by the immortal bard. Our representative theatre-goers will assemble in force to witness this artistic production when it comes to the Washington Monday, October 10th. Sale of seats to subscribers only at the box office this afternoon, from 1 to 4 p. m.

### Fine Crop of Tobacco.

The Dover News says practically all of the tobacco in that community has been housed in excellent condition. The crop is one of the largest raised there for years. Most every farmer has his barns bulging with a fine specimen of the weed, and in many cases they have secured extra house-room wherever they could. The News adds: "This means that much money will be distributed among the farmers within the next few months and they deserve all they can get. If they will help the Burley Co. to succeed they will realize more proceeds than for many years under the scale of price offered. If they stand back saying it is a good thing urging others to go in, at the same time hoping the Continental will come along and bait them with a fancy price they are only helping to impoverish themselves and their neighbors, for in years to come they will find themselves at the mercy of the trust, which figures on how little they can get the farmer to raise the tobacco for instead of how much they will pay for it."

### PHYSICIAN'S GOOD LUCK.

Dr. Hart's Fortunate Experience of Special Interest to Many in Maysville.

The happiest man in New England today and one who is receiving congratulations from his friends, is Dr. Philip Z. Hart of Laconia, N. H. For years he has suffered with catarrh in its worst form.

Although he resorted to the latest scientific treatment, and consulted many of his brother physicians, Dr. Hart finally said, "I might just as well have thrown my money in the river for I grew worse and worse. My wife and I will swear that Hyomei cured me of the worst case of catarrh that ever existed. I used to cough constantly at night, and had a dropping in the throat, which kept me awake a great deal. I raised thick phlegm and was in a horrible condition. However, I am entirely cured, solely through the use of Hyomei."

J. J. Wood & Son is the local agent for Hyomei, the famous treatment which cures catarrh without stomach dosing. A complete outfit costs but \$1, extra bottles 50c. They sell it under guarantee to refund the money if it does not give quick relief.

### HE ADVERTISED

For Cats and Received the Felines by Wagon Loads—Louisville Man's Predicament.

William Fehler of the Louisville Kentucky Warehouse needed a few cats to exterminate rats. He inserted an advertisement offering to exchange chickens for cats. He has already received 2,000 cats and more are coming. Boys and girls left school to gather them and hucksters collected wagon loads of felines and dumped them in the warehouse.

Mr. Fehler admits he is hopelessly long on cats, and has announced his suspension on the cat exchange.

### JUDGE BENNETT

The Republican District Convention's Unanimous Choice For Congress.

Greenup's Candidate "Didn't Desire the Nomination." But He Wouldn't "Shirk a Duty." Therefore He Accepts.

There was such a wide contrast in the last two Republican conventions here that one not acquainted with the surroundings could scarcely have believed that many of the delegates attended both meetings.

The county mill Wednesday was "wild and wooly" in the extreme, but the olive branch occupied a prominent place in the district convention held at 11 o'clock Thursday to nominate a candidate for Congress instead of Samuel J. Pugh who declined the honor last Saturday.

At the hour named, Judge W. G. Deering of Fleming called the meeting to order and stated the object of the convention. He "rung in" the old withered political bouquets and like the other Republican spell-binders made dire threats of what their party was going to do to the Democrats in November.

The Judge's little speech made the delegates feel good and they proceeded to carry out the program that had been mapped out earlier in the morning.

Hon. Harding Gilbert of Carter was elected Temporary Chairman. It took a committee of two to bring Mr. Gilbert up front, not that the gentleman was physically unable to come himself, but the convention wanted it known that it proposed to do things in ship-shape style this time.

Editor John D. Littlejohn was chosen Temporary Secretary.

There being no contested delegations, the temporary organization was made permanent.

On a call of counties for nomination, Bath gave way to Lewis and Hon. W. C. Halbert, in a flowery speech, in which he predicted disaster for the Democrats, and lots of trouble for Mr. Kehoe in particular, nominated Judge Joseph Bennett of Greenup.

Mason County, through Mr. Hickman, who was the innocent (?) cause of so much trouble Wednesday, moved that the nomination of Mr. Bennett be made by acclamation, which met with a second from Mr. Bryson of Nicholas, and carried unanimously.

The Chair appointed Messrs. McClure, Buckner and Hickman, a committee to notify Judge Bennett of his nomination. The trio didn't have to go far in their quest, and it was but a moment until the convention's choice came forward smiling.

"Feeling as I do" Mr. Robert Buckner, in a few well-chosen words, introduced the Judge to the assemblage.

Mr. Bennett then addressed the convention. Among other things, he said he did not desire the nomination, and had declared that he would not accept, if it was tendered him; he would much rather have Mr. Clarence Mathews, Editor Davis or some other good (?) Mason County man, make the race, but he could not shirk a duty imposed upon him, and he therefore "bowed to the will of his party" and accepted the nomination.

The convention then adjourned.

As a stock and all-purpose fence it must be acknowledged that it has no equal in the world. Made of large, strong, high-grade steel wires, heavily galvanized. Amply provides for expansion and contraction. Is practically everlasting and never goes wrong, no matter how great a strain is put on it. Will not mutilate, but does efficiently turn cattle, horses, hogs and pigs. Used as a division fence in towns or cities, the "American" is handsome, efficient and inexpensive. Every rod guaranteed by the manufacturer and by us. Call and see it. Can show you how it will save you money and fence your fields so they will stay fenced. **Prices lower now than ever before.**
